MARGIN AGREEMENT

Account Number:																			
-----------------	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

A margin account involves an extension of credit to you in connection with your securities account. This Margin Agreement and consent to loan securities enables securities in your account to be pledged or loaned to others to finance the funds that are loaned to you. By completing and executing this Margin Agreement, you hereby request that your Introducing Broker Dealer (“Broker”) and COR Clearing LLC (“COR”) amend the account in the name(s) listed below and endorse this account as a MARGIN ACCOUNT.

ACCOUNT INFORMATION – REQUIRED

Account Title (Name of this account)	Broker Rep Code
--------------------------------------	-----------------

Margin Agreement

Your Broker will be pleased to answer any questions you may have regarding your margin account. This Margin Agreement supplements the Customer Agreement between you and COR and your Broker. In consideration of the acceptance of your account under this Margin Agreement, you agree to the following supplemental terms and provisions:

Extension of Credit. Pursuant to Regulation T under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Securities Exchange Commission (“SEC”) and the Board of Governors of the Federal Reserve System, it is agreed that you may purchase, carry and trade certain securities on margin. You authorize COR and/or your Broker to obtain reports concerning your credit-worthiness and business conduct. Upon your request, you may obtain a copy of any said reports. Initial margin requirements established by the Board of Governors of the Federal Reserve specify the minimum amount of collateral you must provide when you buy securities on margin. The requirement is expressed as a percentage of the purchase price. It may change from time to time, and it may be a different percentage for different types of securities. When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from COR by the use of your margin account. If you choose to borrow funds from COR, the securities purchased are COR’s collateral for the loan to you.

Maintenance of Margin. You agree to maintain such positions and margin as required by Regulation T and all other applicable statutes, rules and regulations, or as may be deemed necessary by COR or your Broker. Additional requirements may be more stringent than those required by law or exchange regulations. Such requirements may be changed or modified without prior notice to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, COR can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with COR in order to maintain the required equity in the account. You acknowledge that there is no requirement of COR to provide notice to you of a margin deficiency. It is important that you fully understand the risks involved in trading securities on margin and that you promptly satisfy all margin and maintenance calls. If you do not meet a margin call, **COR and/or your Broker may liquidate securities in the account to the extent necessary to satisfy the call.**

Short Sales. You shall clearly designate any order to sell “short” or “short exempt;” all other sales shall be deemed to be “long.” Short account securities will be “marked to the market” daily. The value of any short securities will be considered as a debt to your account.

Interest on Margin. You shall pay interest on credit extended by COR under this Margin Agreement for the purpose of purchasing, carrying or trading securities. Interest will be charged on your average daily net settled debit balance and calculated using the interest rate schedule determined by your Broker. Your Broker’s initial interest rate schedule is attached to this Margin Agreement and will remain in effect unless modified under the circumstances described below. As noted in this rate schedule, the interest rates selected by your Broker will be added to the COR Clearing Base Rate (“CCBR”) to determine your margin interest rate.

The CCBR is set at the discretion of COR with references to the general credit markets, the broker call rate and general industry conditions relating to the extension of margin credit. The CCBR will change without notice to you as changes occur in the general credit markets, the broker call rate and general industry conditions relating to the extension of margin credit, at COR’s discretion. COR makes available the current CCBR at the following link on COR’s website: <https://www.corclearing.com/important-disclosures/>. COR will update the information displayed here to reflect any adjustments in the CCBR so that you may check the current CCBR at any time. You will be provided with 30 calendar days’ written notice of any changes your Broker elects to make to its rate schedule. You may contact your Broker or COR’s Client Services Department at (402) 384-6191 if you have any questions about the margin rates applicable to your margin balances.

On demand, you shall pay any balance owing with respect to your accounts, including fees and any costs of collection. All payments received in your account, including dividends, interest, premiums and principal payments may be applied to the balance due in your account. The rate of interest charged for the credit extended to you shall be calculated on a 360-day year and actual days elapsed using the rate schedule determined by your Broker.

Securities Lending. For any securities held by COR as property on margin under this Margin Agreement or as collateral for your obligations under this Margin Agreement, you authorize COR to lend such securities, either separately or with other securities, to itself or to other entities. Securities in your margin account are registered in COR’s name and are collateral for any margin loan. You still receive credit for all dividends or interest payments on these shares and your account will be charged for any dividends or interest on short positions. If there is a decline in the market value or liquidity of securities that are the collateral for your loan or other circumstances where, in COR’s and/or your Broker’s judgment, adequate collateral does not exist, it may be necessary to request additional collateral for your margin account. COR and/or your Broker may increase its “house” maintenance margin requirements at any time and is not required to provide you with advance notice. These changes in COR’s policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause COR to liquidate or sell securities in your account(s). Until written revocation confirmation is received by COR or your Broker, this Margin Agreement constitutes your continuing consent to effect securities lending transactions. Upon such written revocation, and payment for all balances due to COR, COR will deliver such securities to you if so requested.

Hypothecation of Securities. For any amount due on your account, you authorize that your securities may be pledged, re-pledged, and hypothecated or re-hypothecated, without notice to you, either separately or with securities of other bona fide clients. You represent that you will not allow any securities in any of your accounts to become subject to liens, security interests or other encumbrances. You further represent that you are not controlled by or in control of any issuer of any security you have provided as collateral to COR.

Liquidation. You acknowledge that securities held in your account may be liquidated without notice to satisfy minimum maintenance or margin calls. You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold by COR to meet a margin call. You are not entitled to an extension of time to meet a margin call. While an extension of time to meet margin requirements may be available to you under certain conditions, you do not have a right to the extension. Without limitation, any of the following circumstances may give rise for COR to exercise this power: (i) your failure to promptly meet any call for additional collateral; (ii) the filing of a petition in bankruptcy by or against you; (iii) the appointment of a receiver is filed by or against you; (iv) a significant judgment is entered against you, or any levy is made on your account(s); and (v) the occurrence of any event which, in COR's or your Broker's judgment, operates to impair your ability to perform its obligations under this Margin Agreement. In any such event, and without further notice, you authorize COR and/or your Broker to (i) sell any securities held in your account(s); (ii) buy any securities which may be short; (iii) cancel any open order; (iv) to close any outstanding order; and (v) otherwise take any action deemed necessary to comply with applicable statutes, rules and regulations or any other requirements governing your margin account. If for any reason COR delays or forgoes for a period the enforcement of its margin requirements, COR's subsequent enforcement or right to enforce is not thereby waived.

Governing Law. This Margin Agreement and all documents incorporated by reference are governed by the laws of the State of New York.

Current Margin Interest Rate Schedule as Determined by Your Broker

By signing this Margin Agreement, you certify that your Broker disclosed to you the current CCBR (as found on <https://www.corclearing.com/important-disclosures/>) and the below-listed rate schedule applicable to your account.

Average Debit Balance	Interest to Be Charged
Any Debit Balance	CCBR + 3.350%

The margin interest charged to your account will not exceed the highest rate listed above, subject to any future changes in the CCBR or 30 calendar days' written notice from your Broker adjusting its rates added to the CCBR.

By signing below, I acknowledge that I have received, read, understand and agree to be bound by the terms and conditions as set forth in this Margin Agreement as currently in effect and as amended from time to time. In doing so, I also certify that my Broker disclosed to me the current CCBR (as found on <https://www.corclearing.com/important-disclosures/>) and the above-listed rate schedule applicable to my margin account.

I represent that I am of required legal age to enter into this Margin Agreement.

I understand and acknowledge that COR does not provide investment, tax, legal, accounting, financial or other advice.

Please Note: COR and/or my Broker may verify information provided on this Margin Agreement through a third-party vendor in accordance with the USA Patriot Act. I UNDERSTAND THAT THIS ACCOUNT IS GOVERNED BY A PRE-DISPUTE ARBITRATION AGREEMENT, WHICH IS SET FORTH IN SECTION 29 OF PAGE 3 IN THE CUSTOMER AGREEMENT BETWEEN ME AND COR AND MY BROKER. I ACKNOWLEDGE THAT I HAVE RECEIVED AND READ THE PREDISPUTE ARBITRATION AGREEMENT CONTAINED THEREIN.

BY SIGNING THIS MARGIN AGREEMENT, I ACKNOWLEDGE THAT MY SECURITIES MAY BE LOANED TO COR OR LOANED OUT TO OTHERS.

This Customer Agreement (“Agreement”) sets forth the Terms and Conditions that govern Your brokerage account with COR Clearing LLC, Member SIPC. Throughout this Agreement, the words, “You” and/or “Your” means COR Clearing LLC (“COR”) its successors and assigns and “I”, “Me”, “My”, or “Myself” means the beneficial owner(s) of the brokerage account.

TO: My Introducing Broker Dealer and COR: In consideration of You opening and/or carrying one or more accounts on My behalf, I represent and agree with respect to all accounts, whether upon margin or cash, as follows:

- 1. Representation as to Capacity.** If an individual, I am of legal age under the laws of the State where I reside and authorized to have a brokerage account carried by COR, which is subject to the terms of this Agreement and, except as otherwise disclosed to You, I am not an employee of any exchange or FINRA and I am not an employee or associated person of a member firm of any exchange or of a member firm of FINRA. I will promptly notify You if I become so employed or associated. To the extent that I have not already disclosed to You the following, I will notify You in writing if I, My spouse or immediate family member living in My household becomes a director, 10% beneficial shareholder, or an affiliate of a publicly traded company. If an entity, I am duly formed, validly existing and in good standing in My state of organization, have full power and authority to open and/or have a brokerage account carried by COR, which is subject to the terms of this Agreement, to abide by and fulfill My obligations under this Agreement, and the persons authorized on the account are fully authorized to act on My behalf. No person, except Me (or any person named in a separate agreement), has any interest in the account carried pursuant to this Agreement. I acknowledge that unless COR receives written objection from Me, under SEC Rule 14B-1(c), COR may provide My name, address, and security positions to requesting companies in which I hold securities.
- 2. Authorization.** I appoint You as my agent for the purpose of carrying out My directions to You in accordance with the Terms and Conditions of My Agreement with You for My account and risk with respect to the purchase or sale of securities. To carry out Your duties, You are authorized to open or close brokerage accounts, place and withdraw orders and take such other steps as are reasonable to carry out My directions. Unless I give You discretion by written authorization, all transactions will be done only on My order or the order of My authorized delegate except as described in Section 8.
- 3. Role and Responsibility of Clearing Broker.** I understand that COR carries My account(s) as clearing broker pursuant to a carrying agreement, also referred to as a clearing agreement, between My Introducing Broker Dealer and COR, and that COR will clear all transactions under this Agreement pursuant to that carrying or clearing agreement. If My account has been introduced to COR and is carried by COR acting solely as a “clearing broker,” I agree that COR is only responsible for the execution, clearing and bookkeeping of transactions made and is not otherwise responsible for the conduct of My Introducing Broker Dealer. I further understand that transactions may be executed by other broker-dealers, including My Introducing Broker Dealer as principal. I understand that COR provides no investment advice in connection with this account nor does COR give advice or offer any opinion with respect to the suitability of any transaction, security or order. Until receipt from Me of written notice to the contrary, COR may accept from My Introducing Broker Dealer without inquiry or investigation, (i) orders for the purchase or sale of securities and other property on margin, if I have elected to have a margin account, or otherwise, and (ii) any other instructions concerning said accounts. COR shall look solely to My Introducing Broker Dealer unless otherwise directed by My Introducing Broker Dealer, and not to Me with respect to any such orders or instructions; except that I understand that COR will deliver confirmations, statements, and all written or other notices, including margin maintenance calls if applicable, with respect to My account directly to Me with copies to My Introducing Broker Dealer, and that COR will look directly to Me or My Introducing Broker Dealer for delivery of margin, payment, or securities. I agree to hold COR harmless from and against any losses, costs or expenses arising in connection with the delivery or receipt of any such communication(s), provided COR has acted in accordance with the above. The foregoing shall be effective as to My account until written notice to the contrary is received from Me by COR or My Introducing Broker Dealer. You will respond to inquiries I may make concerning My brokerage account and if any inquiry is in the form of a complaint regarding My Introducing Broker Dealer, COR will be responsible for (i) promptly notifying My Introducing Broker Dealer about the complaint; (ii) providing Me with an acknowledgement that COR has done this; and (iii) providing a copy of My complaint to My Introducing Broker Dealer’s designated examining authority.
- 4. Effect of Reports and Statements.** I agree that reports of execution of orders and statements of My account shall be conclusive if not objected to within ten (10) days after transmittal to Me by mail or otherwise. Such objection may be oral or in writing, but any oral objection must be immediately confirmed in writing.
- 5. Important Information About Procedures for Opening and/or Maintaining an Account.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for Me: When I open or maintain an account carried by COR, You will ask for My name, address, date of birth and other information that will allow You to identify Me. You may also ask to see My driver’s license or other identifying documents and subsequently make copies for the records.
- 6. SIPC and Other Insurance Coverage.** I understand that COR is a member of the Securities Investor Protection Corporation (SIPC), which provides protection for accounts up to \$500,000 (including \$250,000 for claims of cash) per client as defined by SIPC rules. An explanatory brochure is available upon request or at www.sipc.org or via telephone at (202) 371-8300. I understand that COR has acquired an additional \$24.5 million coverage through a third party insurance company. This brings the total protection to \$25 million with a limitation of \$1 million on claims for cash balances for each client (as defined by SIPC rules). I understand that such coverage does not include transactions or trading losses or declines in the value of securities.
- 7. Telephone Recordings.** I understand and agree that any telephone conversation with You will or may be recorded for accuracy and I consent to such recording.
- 8. Oral Authorization.** I agree that You shall be entitled to act upon any oral instructions given by Me so long as You reasonably believe such instruction was actually given by Me.
- 9. Payment of Indebtedness.** In the event I become indebted to You in the course of operation of this account, I agree that I will repay such indebtedness upon demand. I agree that if after demand I fail to pay the indebtedness, You may close My account and liquidate any assets in My account at Your discretion in an amount sufficient to pay My indebtedness. As security for any and all liabilities arising in favor of You, I pledge to COR a security interest in all property held by COR in any account maintained by COR for Me individually, jointly or in the name of another person or entity. COR is hereby authorized to make whatever disposition of pledged property it may deem appropriate to realize the security afforded by this provision, and I will remain liable for any deficiency. I further agree that COR shall be entitled to exercise the rights and remedies, with respect to the pledged property, generally afforded a secured party under the Uniform Commercial Code. The reasonable costs of collection of any debit balance and any unpaid deficiency in My accounts, including attorney’s fees incurred by You shall be reimbursed by Me to You.
- 10. Sell Orders; Deliveries and Settlements.** Unless otherwise specifically designated, any order directing the sale of Property shall be deemed to be a “long” sale, and in connection with any such order, I represent that I am the owner of the property subject of such order and agree to deliver the property to You in negotiable form on or before the settlement date. In the event that I fail to deliver the property to You by the close of business on the settlement date, You are authorized, in your discretion and without notice to Me, to (i) delay settlement, (ii) purchase comparable property to cover My position, or (iii) cancel the transaction. You may also charge any loss (including Interest), commission and fees to My account.
- 11. Buy Orders; Settlements.** When I have directed that property be purchased, I agree to provide sufficient collected funds to cover such purchase on or before the settlement date. In the event that I fail to provide sufficient funds, You may, at your option and without notice to Me, (i) charge a reasonable rate of interest, (ii) liquidate the property subject of the buy order, or (iii) sell other property owned by Me and held in any account. You may also charge any consequential loss to My account.
- 12. Distributions.** In the event that I sell a security prior to its ex-dividend/distribution date, and I receive the related cash/stock dividend or distribution in error, I direct You on My behalf to pay such dividend/distribution to the entitled purchaser of the securities I sold, and I guarantee to promptly reimburse You for, or deliver to You, said dividend or distribution.
- 13. Restrictions on Trading.** I understand that You may, in Your discretion, prohibit or restrict the trading of securities, or the substitution of securities, in any of My accounts. I understand that You may execute all orders by Me on any exchange or market, unless I specifically instruct You to the contrary.

CUSTOMER ACCOUNT AGREEMENT

- 14. Governing and Applicable Law.** This Agreement and all transactions made in My account shall be governed by the laws of the State of New York, (regardless of the choice of law rules thereof) except to the extent governed by federal securities law, the Federal Arbitration Act, and to the constitution, rules, regulations, customs and usage of the exchanges or market (and its clearing house) where executed.
- 15. Ratification; Sub-Brokers and Agents; Extraordinary Events; Indemnification.** You may employ sub-brokers or other agents in connection with the execution of any order or the consummation of any other transaction hereunder, and You shall be responsible only for reasonable care in their selection. I understand that You shall not be liable for loss caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, natural disasters or any other conditions or causes beyond Your control or anticipation, including, but not limited to, delays in the transmission of orders due to breakdown or failure of transmission or communication facilities. I agree to indemnify and hold You harmless from any loss, damage or liability arising out of any transaction in which You act, directly or indirectly, as My agent, absent any willful or grossly negligent conduct by You.
- 16. Mutual Fund Transactions.** In the event that I purchase or hold a mutual fund, I agree to read and understand the terms of its prospectus. I understand that certain mutual funds reserve the right to change their purchasing, switching or redemption procedures and/or suspend or postpone redemptions under certain market conditions. I further understand that any mutual fund order entered with You is placed by You on a best efforts basis as prescribed and recognized by the individual fund, and that You are not responsible for unexecuted orders due to the failure of any communication system. I agree to be fully responsible for the information contained within the mutual fund prospectus and to hold You harmless for any deficiencies contained therein. I authorize You to act as My agent in the purchase and redemption of fund shares.
- 17. Joint Account Authorization.** In consideration of Your carrying a joint account for the persons identified as the account holders, we jointly and severally agree to be fully and completely responsible and liable for this account and to pay on demand any balance due. Each of us, or any person authorized to act on behalf of the account under a separate agreement, has full power and authority to make purchases and sales, withdraw funds and securities from, or to do anything else with reference to the account. You are authorized and directed to act upon instructions received from any of us. Suitability information provided by us reflects the combined interests of all joint owners. We understand that tax reporting information is processed using the social security number of the person first named in the registration. Each of us agrees to hold You and Your employees and agents harmless from and indemnify them against any losses, causes of action, damages and expenses (including attorney's fees) arising from or as the result of You, Your employees or agents following the instructions of any of us. COR in its sole discretion may at any time suspend all activity in the joint account pending instructions from a court of competent jurisdiction or require that instructions pertaining to the joint account or the property therein be in writing, signed by all of us. You may recover from the account or from any of us such costs as You may incur, including reasonable attorney's fees, as the result of any dispute among us relating to or arising from the account. Upon any event that causes a change in the ownership of the joint account (divorce, death, assignment, etc.), all remaining accountholders or survivors shall immediately notify You in writing. You may take such actions in the account as You deem advisable to protect against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of the decedent or departing accountholder shall be liable together with each of the remaining or surviving accountholders, jointly and severally, to You for any net debit balance or loss in the account in any way resulting from any transactions initiated prior to notification to You or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Notwithstanding the governing law provisions of this Agreement, the legal ownership of our accounts shall be governed by the internal laws of the state of residence.
- 18. Liens.** I further agree, jointly and severally if this is a joint account, that all property including cash or securities You may at any time be holding or carrying for Me shall be subject to a lien in Your favor for the discharge of obligations of the account to You. Such lien is to be in addition to and not in substitution of the rights and remedies You otherwise would have.
- 19. Definitions of the Word "Property."** For all purposes of this Agreement, the word "Property" means of all kinds, monies and all contracts, investments and options relating thereto, whether for present or future delivery, and all distributions, proceeds, products and accessions of all such property. This includes all such property held, maintained or carried by You in any manner for Me.
- 20. Effect of Attachment or Sequestration of Accounts.** You shall not be liable for refusing to obey any orders given by or for Me with respect to any account(s) that has or have been subject to an attachment or sequestration in any legal proceeding against Me, and You shall be under no obligation to contest the validity of any such attachment or sequestration.
- 21. Event of Death.** It is further agreed that in the event of My death or the death of one of the joint account holders, the representative of My estate or the survivor or survivors shall immediately give You written notice thereof, and You may, before or after receiving such notice, take such proceedings, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as You may deem advisable to protect You against any tax, liability, penalty or loss under any present or future laws or otherwise. Notwithstanding the above, in the event of My death or the death of one of the joint Account Holders, all open orders shall be canceled, but You shall not be responsible for any action taken on such orders prior to the actual receipt of notice of death. Further, You may in your discretion close out any or all of My accounts without awaiting the appointment of a personal representative for My estate and without demand upon or notice to any such personal representative. The estate of any of the account holders who shall have died shall be liable and each survivor shall continue liable, jointly and severally, to You for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by You of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Such notice shall not affect Your rights under this Agreement to take any action that You could have taken if I had not died.
- 22. Tax Reporting.** The proceeds of sales transactions and dividends paid will be reported to the Internal Revenue Service in accordance with applicable law.
- 23. Information Accuracy.** I (a) certify that the information and representations contained in this Agreement and any other document or information that has been or will be furnished to You in connection with My account(s) is complete, true and correct, and acknowledge that knowingly giving false information for the purpose of inducing You to extend credit is a federal crime, (b) authorize You to contact any individual or firm noted herein or on the documents referred to in subsection (a) of this Section and any other normal sources of debit or credit information, (c) authorize anyone so contacted to furnish such information to You as You may request, and (d) agree that this Agreement and any other document or information I furnish in connection with My account is Your property, as the case may be. I shall promptly advise You of any changes to the information in such agreements, documents, or information. You may retain this Agreement and all other such documents or information and their respective records at Your sole discretion, whether or not credit is extended.
- 24. Credit Information and Investigation.** I authorize You to obtain reports and provide information to others concerning My creditworthiness and business conduct. Upon My request, You agree to provide Me a copy of any report so obtained.
- 25. Equity Orders and Payment for Order Flow.** Securities and Exchange Commission rules require all registered broker-dealers to disclose their policies regarding any "payment for order flow" arrangement in connection with the routing of customer orders. "Payment for order flow" includes, among other things, any monetary payment, service, property, or other benefit that results in remuneration, compensation, or consideration to a broker or dealer from any broker or dealer in return for directing orders. You transmit customer orders for execution to various exchanges or market centers based on a number of factors. These include: size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement) access to reliable market data, availability of efficient automated transaction processing and reduced execution costs through price concessions from the market centers. Certain of the market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, the orderrouting policies, taking into consideration all of the factors listed above, are designed to result in favorable transaction processing for customers. The nature and source of any payments and /or credits received by You in connection with any specific transactions will be furnished upon written request.

CUSTOMER ACCOUNT AGREEMENT

- 26. Free Credit Balances.** To the extent that I have elected to participate in the COR Insured Deposit (DLD) program, I authorize You to invest the free credit balances in My account. I authorize You, without further notice, to redeem My funds from the DLD Program to the extent necessary to satisfy any debits arising in any of My accounts. I understand that I have the option of liquidating the balance of my DLD Program funds and either keeping them or returning the proceeds to My account. I have chosen this option in full understanding of the alternatives available to Me as well as the cost, benefits and risks of this selection and the alternatives.
- 27. Fees and Charges.** I understand that there are charges for commissions and fees for executing buy and sell orders and for other services provided under this Agreement. I agree to pay such commissions and fees at the then prevailing rate. I acknowledge that the prevailing rate of commissions and fees may change and that change may occur without notice. I agree to be bound by such changes. I specifically agree to pay a reasonable rate of interest on the principal amount of any debit balance carried with respect to the account. Interest due on the account is payable on demand. In the case of any stock borrow I request, I understand and agree that COR may charge Me borrow rates that it determines in its sole discretion and which COR will disclose upon request to My Introducing Broker Dealer. I also agree to pay such expenses incurred by You in connection with collection of any unpaid balance due on My accounts, including, but not limited to, attorney's fees allowed by law.
- 28. Prohibition on Freeriding.** In a cash account, a customer must pay for the purchase of a security before selling it. If a customer buys and sells a security before paying for it, the customer is engaging in an activity that is prohibited by federal regulations and which is called freeriding. Accordingly, I understand and agree that if I purchase securities in a cash account and sell them before payment is received by COR, COR will place that account on restricted status for a period of 90 calendar days following the trade date for a first offense, 180 days for a second offense, and 1 year for a third offense, or place other restrictions as required or permitted by law or regulation. During any period of restriction, unless My cash account contains funds in advance of the trade sufficient to pay for any new purchase in full, I agree that I will not be permitted to purchase or sell any new securities in that account. I agree that COR will cancel or remove any trades from My cash account that are made in violation of these or any other legal or regulatory prohibitions on freeriding. COR and I agree that nothing stated in this section constitutes a modification of any laws or regulations to which COR and I are subject.
- 29. Arbitration.**
- a. The following general provisions apply to all arbitrations pursuant to this section:
- All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
 - Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
 - Pre-arbitration discovery is generally more limited than and different from court proceedings. The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
 - The arbitration award is not required to include factual findings or legal reasoning and any party's right to appeal or seek modification of rulings of the arbitrators is strictly limited. The arbitrators do not have to explain the reason(s) for their award.
 - The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
 - The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
 - The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.
- b. Any controversy or claim arising out of or relating to this Agreement shall be settled by FINRA arbitration procedures then in effect. I agree that any judgment upon an award rendered by arbitration may be entered in any court having proper jurisdiction.
- c. This Agreement to arbitrate constitutes a waiver of the right to seek a judicial forum unless such a waiver would be void under the federal securities laws.
- d. No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:
- the class certification is denied; or
 - the class is decertified; or
 - the customer is excluded from the class by the court.
- Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.
- e. The venue for all arbitration proceedings arising out of or relating to this Agreement shall be Omaha, NE. By having an account subject to the terms of this Agreement, I acknowledge and accept Omaha as the arbitration hearing location.
- f. This Agreement to arbitrate does not entitle Me to obtain arbitration of claims that would be barred by the relevant statute of limitations if such claims were brought in a competent jurisdiction.
- 30. Notice.** All communications, including margin calls, may be sent to Me at the mailing address for the account or E-mail address that I have given to You, to either E-mail address in the case of joint accounts where each account holder has given an E-mail address (notice to both E-mail addresses is not required) or at such other address as I may hereafter give You in writing or by E-mail at least ten (10) days prior to delivery, and all communications so sent, whether in writing or otherwise, shall be deemed given to me personally, whether actually received or not.
- 31. Headings.** The heading of each provision hereof is for descriptive purposes only and shall not be (i) deemed to modify or qualify any of the rights or obligations set forth herein or (ii) used to construe or interpret any of the provisions hereunder.
- 32. No Waiver; Cumulative Nature of Rights and Remedies.** Your failure to insist at any time upon strict compliance with any term contained in this Agreement, or any delay or failure on Your part to exercise any power or right given to You in this Agreement, or a continued course of such conduct on Your part, shall at no time operate as a waiver of such power or right, nor shall any single or partial exercise preclude any other further exercise. All rights and remedies given to You in this Agreement are cumulative and not exclusive of any other rights or remedies to which You are entitled.
- 33. Miscellaneous Provisions.** The following provisions shall also govern this Agreement:
- This Agreement and all documents incorporated by reference are governed by the laws of the State of New York.
 - I hereby ratify and confirm all transactions heretofore made and entered into with You.
 - This Agreement shall bind My heirs, assigns, executors, successors, conservators and administrators.
 - If any provision of this Agreement shall be determined to be invalid, the remainder hereof shall remain in full force and effect.
 - This Agreement may be terminated by either Me or You upon thirty (30) days written notice. I will remain liable to You for any charges due, whether arising before or after termination.
 - No provision of this Agreement may be altered, changed or revised except by a written instrument signed by Me and COR.
 - I will notify You if any representation herein is or becomes materially inaccurate.
- 34. Severability.** If any provisions or conditions of this Agreement become inconsistent with any present or future law, rule or regulation of any applicable government, regulatory or self-regulatory agency or body, or are deemed invalid or unenforceable by any court of competent jurisdiction, such provisions shall be deemed rescinded or modified, to the extent permitted by applicable law, to make this Agreement in compliance with such law, rule or regulation, or to be valid and enforceable, but in all other respects, this Agreement shall continue in full force or effect.
- BY AGREEING TO OPEN AN ACCOUNT WITH COR AND/OR HAVE MY ACCOUNT CARRIED BY COR, I ACKNOWLEDGE THAT I HAVE RECEIVED, READ, UNDERSTAND AND AGREE TO THE TERMS SET FORTH IN THE FOREGOING AGREEMENT, AND THAT THIS AGREEMENT CONTAINS A PREDISPUTE ARBITRATION CLAUSE AT SECTION 29 OF PAGE 3.

COR Insured Deposit Program — Summary of Terms and Conditions

Program Summary

The COR Insured Deposit Program (“The Program”) provides a new cash sweep capability for clients. Under The Program provided by COR Clearing LLC (“The Firm”, “We”, or “Us”) and selected by your brokerage firm (“Brokerage Firm”) and administered by Deutsche Bank Trust Company America (“DBTCA”), your uninvested cash balances in eligible accounts will be automatically deposited into an interest-bearing Federal Deposit Insurance Corporation (“FDIC”) insured deposit account at one or more of the banks or depository institutions participating in The Program, collectively called “Program Banks”

Your uninvested cash balances are deposited with a network of Program Banks in a manner designed to provide you with a maximum deposit insurance in excess of the current FDIC limits (The Firm’s current limits are available at www.corclearing.com). A separate account for the benefit of Program participants will be established at each of The Program Banks for deposit in The Program (the “Deposit Accounts”). Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. The Deposit Accounts will be insured by the FDIC within certain applicable limits. FDIC insurance will not cover amounts over the applicable maximum insurance limit that you have on deposit with any particular Program Bank.

All activity with respect to your accounts will appear on your periodic account statement, including the total of your opening and closing account balances in The Program and a breakdown of your bank deposit balance at each individual Program Bank at which you have deposits. If you maintain a separate account at a Program Bank outside of The Program, you are responsible for monitoring the total amount of deposits that you have with The Program Bank to determine the extent of deposit insurance coverage available to you. The total amount of FDIC insurance coverage may change at any time.

The Program is your default sweep option for available cash in your eligible accounts. By your participation in The Program, you acknowledge that you have received and carefully read the Terms and Conditions. If you have any questions about any of the provisions of these Terms and Conditions, please contact your Brokerage Firm.

The Program should not be viewed as a long-term investment option. If you desire to maintain invested cash balances for other than a short-term period and/or are seeking the highest yields currently available in the market, please contact your Brokerage Firm to discuss investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs. Please keep in mind that such outside investment options may not be FDIC insured and may not include the automatic sweep features included in The Program.

As provided in your account agreement with your Brokerage Firm, The Firm is the carrier of your brokerage account as clearing brokerage firm pursuant to a clearing agreement with your Brokerage Firm. As clearing brokerage firm, The Firm provides certain administrative services in connection with The Program. The services rendered by The Firm in connection with The Program are not intended to create a joint venture, partnership, or other form of business organization of any kind. The Firm shall not be responsible or liable for any acts or omissions of your Brokerage Firm, any Program Bank, or their respective employees. The Firm provides no advice regarding The Program, nor does The Firm give advice or offer any opinion with respect to the suitability of any transaction or order in connection with your brokerage account. Neither your Brokerage Firm nor any Program Bank is acting as the agent of The Firm. You agree that you will not hold The Firm, its affiliates, and its officers, directors, and agents liable in connection with any transactions related to The Program.

Differences Between COR Insured Deposit (DLD) Program and Holding Deposits in a Cash Account

The Program and cash balances are subject to differing risks and account protection. Cash balances are not bank accounts and not subject to FDIC insurance protection. The Program is covered by FDIC. Deposits in The Program equal to or less than the maximum FDIC deposit insurance limit are insured against the risk of a Program Bank’s failure.

FDIC Coverage and Limitations

Upon deposit into The Program, your deposits are insured by the FDIC, an independent agency of the federal government backed with the full faith and credit of the U.S. Government, up to the current FDIC limit per depositor for each category of legal ownership. To provide additional coverage, The Program uses a network of Program Banks in a manner designed to provide you with a maximum deposit insurance limit in excess of the current FDIC limits per depositor for each category of legal ownership. If the amounts deposited in The Program exceed the maximum deposit insurance limit, the excess funds will be deposited at a Program Bank and not be insured by the FDIC. If you have or make deposits on your own with a Program Bank, neither COR nor your Brokerage Firm would be aware of these deposits and they may not be insured.

Additional FDIC insurance coverage may also apply to certain categories of legal ownership. For additional information and any other questions about FDIC Deposit Insurance Coverage, you may wish to seek advice from your own legal advisor. You may also obtain information by contacting the FDIC, Division of Supervision and Consumer Protection, by letter (550 17th Street, N.W., Washington, D.C. 20429), by phone (877-275-3342, 800-925-4618 (TDD)), by e-mail (dcainternet@fdic.gov), or by accessing the FDIC Web site at www.fdic.gov.

Your Responsibility

You must monitor and determine the best sweep option for you under The Program. You may elect not to participate in The Program and instead periodically invest cash balances directly into investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs.

You are responsible for monitoring the total amount of all deposits you have at each Program Bank for purposes of calculating your FDIC insurance coverage. Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. If your total funds on deposit at any individual Program Bank exceed the maximum deposit insurance limit, the FDIC will not insure your funds in excess of the limit.

Interest

The Program Banks will pay interest on funds in The Program at a variable rate established periodically by The Firm based on prevailing market, economic and other business conditions. The Firm may change the interest rate at our discretion without notice to you. The Firm may establish a schedule of rates to be applied to accounts based on, among other things, the total value of household assets in your Brokerage accounts. The asset tiers and interest rates may be changed by The Firm from time-to-time. Current interest rate information is available by contacting your Brokerage Firm.

Interest on funds in The Program will accrue from the day funds are deposited by us into The Program up to, but not including, the day of withdrawal. The Program Banks will use the daily-balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Interest will be compounded monthly and will be credited to your account on or about the 25th day of each month (or preceding business day if the 25th day is not a business day). You will receive a 1099-INT form from The Firm indicating the amount of interest paid to you.

Fees

No direct fees will be assessed to you or deducted from your brokerage account with respect to The Program. We may, without notice, refuse any deposit, close any account or impose a fee, if your actions become administratively burdensome.

COR Insured Deposit Program — Summary of Terms and Conditions

Program Compensation

No direct fees will be assessed to you or deducted from your specified rate of return. Instead fees are collected from The Program Banks. The fee of the intermediary bank (currently Deutsche Bank Trust Company America "DBTCA") will be collected from The Program Banks in the form of fees collected in addition to interest paid on The Program. The Firm will receive a fee from DBTCA that varies depending on the balance in your account, the service plan you may be on and other factors. Although the actual fees are subject to change and vary depending on the tier and other factors (please see our website at www.corclearing.com, for the applicable rate structure), this fee currently is expected to range from .5% to 6.0%. This fee is subject to change and we may waive all or part of this fee. Other than applicable fees imposed by us on a brokerage account, there will be no charge, fee or commission imposed on your account with respect to The Program.

Eligibility

The Program is available to individuals, certain non-profit organizations and to certain fiduciaries and trusts, provided that the beneficiaries are individuals or otherwise eligible. Accounts in the name of business entities including corporations, limited liability companies and partnerships are also eligible for The Program. Excluded are all plans subject to the Employee Retirement Income Security Act of 1974, as amended. Please contact your Brokerage Firm if you are unsure if your account(s) are eligible.

Deposits

Because The Program is your default sweep option for cash balances in your eligible account, unless you elect out of The Program you will have cash balances in your eligible account(s) automatically deposited in Deposit Accounts at The Program Banks. These Deposit Accounts will receive FDIC coverage up to The Program's maximum deposit insurance limit. There is no minimum initial deposit. Funds will be deposited into a Deposit Account under the following circumstances: (i) in the case of available cash balances resulting from the proceeds of securities sales, on the settlement date of the securities sale; and (ii) in the case of available cash balances resulting from non-trade-related credits (e.g., the receipt of dividend or interest payments or a deposit in the brokerage account), on the business day after receipt into your brokerage account of the non-trade-related credit. Funds deposited into a Deposit Account will begin earning interest from the day that they are received by The Program Bank. Your deposit will be in book entry form and, therefore, you will not receive a passbook or a certificate. Your uninvested cash balances will be deposited into a Settlement Account at Deutsche Bank Trust Company Americas (DBTCA), which will allocate your deposits to any eligible Program Bank according to an order of priority established from time to time. Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC, any additional funds will be deposited at another.

Program Bank. You may exclude any Program Bank from being able to receive your uninvested cash balance at any time. For example, you may want to exclude any Program Bank at which you maintain balances (e.g. Certificates of Deposit, checking account deposits) which, when added to amounts in the Deposit Account, might exceed the maximum deposit insurance limits. This exclusion may be accomplished at the time of your initial deposit into The Program, or at any other time by contacting your Brokerage Firm and may impact the overall FDIC coverage available to you through The Program. The list of Program Banks participating in The Program is attached. This list will be updated from time to time and the updated list will be available from your Brokerage Firm or by visiting www.corclearing.com. In addition, The Program Banks in which your Program balances were invested will be listed on your periodic account statement.

Program Banks may be added or removed from The Program. It is your responsibility to monitor your Program deposits with each Program Bank in order for you to determine the extent of insurance coverage available to you.

Deposit Accounts are established on an omnibus basis at each Program Bank, with records of ownership in a manner consistent with FDIC rules governing "pass through" deposit insurance. DBTCA and its service provider are finders assisting in locating and negotiating deposit arrangements with Program Banks. A different settlement bank, finder or service provider may be selected or the role in The Program of the settlement bank's service provider or finder in The Program may be eliminated altogether.

Withdrawals

All withdrawals necessary to satisfy debits in your brokerage accounts will be made by us as your agent. A debit will be created, for example, when you purchase securities or request withdrawal of funds from your brokerage account, when you write a check, or use other withdrawal methods (such as through an ACH). Checks written on your brokerage account are not drawn directly against the amounts deposited for you at any of The Program Banks, but the money is transferred back from The Program Banks to our Intermediary Bank and then to us, and then used to satisfy your debit through The Program. Withdrawals may not be made directly from The Program Banks, except through The Firm acting as your agent.

The funds necessary to satisfy debits in your securities account will be drawn from your account in the following order: (i) free credit balances in your brokerage account (if any); (ii) balances in your money fund (if any); and (iii) amounts in The Program Account.

Electronic Funds Transfers

The only items processed through The Program are deposits from the brokerage account to The Program Banks, transfers among The Program Banks, and transfers back to the brokerage account from The Program Banks.

The Program does not allow electronic funds transfers, ATM access, check-writing, deposit, point-of-sale terminal access, pre-authorized payments to third parties, access by credit or debit card or ACH transfers directly from The Program Bank Deposit Accounts.

Program Deposit Account Error Resolution Notice

Please contact your Brokerage Firm as soon as possible, if you think The Program Deposit Account portion of your statement is wrong or if you need more information about a transfer listed on the statement. Your Brokerage Firm must hear from you no later than fifteen (15) days after the date of the statement on which the problem or error first appeared. In making that contact you must:

- (1) Provide your name and account number (if any)
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information
- (3) Provide the dollar amount of the suspected error

If you provide this information orally, you may be required to send your complaint or question in writing within fifteen (15) business days.

It will be determined whether an error occurred within fifteen (15) business days after hearing from you and any error will be promptly corrected. If more time is needed, however, it may take up to forty-five (45) days to investigate your complaint or question. In such case, it will be requested that The Program Bank credit your Program Deposit Account within fifteen (15) business days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete the investigation. If you are asked to put your complaint or question in writing and your Brokerage Firm does not receive it within fifteen (15) business days, The Program Bank may not credit your Program deposit account.

For errors involving new Program Deposit Accounts, it may take up to ninety (90) days to investigate your complaint or question. For new Program Deposit Accounts, The Program Bank may take up to twenty (20) business days to credit your Program Deposit Account for the amount you think is in error.

Your Brokerage Firm will contact you with the results within three (3) business days after investigation is completed. If it is determined that there was no error, a written explanation will be provided. You may ask for copies of the documents used in the investigation.

Withdrawals will be deemed paid by a particular Program Bank when such funds are transmitted by such Program Bank to the Settlement Account and such Program Bank will be released from all liability for such withdrawn funds once The Program Bank delivers those funds to the Settlement Account. The Program Banks are not responsible for the actions of DBTCA or for the actions of your Brokerage Firm or The Firm, with respect to The Program or otherwise. Each Program Bank deposit account is an obligation of The Program Bank and is not directly or indirectly an obligation of The Firm. Changes to the Program

Your Brokerage Firm or The Firm may modify or cancel The Program at any time, which may result in changing the sweep option for your account. If we make any change, there is no guarantee that such change will provide an equal or greater rate of return to you on your uninvested cash balances during any given period, and the rate of return may be lower. You will receive advance notice of any change that results in changing the sweep option for your account. Unless you object within the time period specified, we will transfer the balances from your prior sweep into any new sweep.

Although your Brokerage Firm, The Firm, and The Program Banks may share certain information about you and your accounts, information shared with Program Banks will be handled in accordance with the Privacy Policies of The Firm and your Brokerage Firm.

We maintain physical, electronic and procedural safeguards to protect your non-public personal information.

MARGIN DISCLOSURE STATEMENT

We are furnishing this document to you to provide some basic facts about purchasing securities on margin, and to alert you to the risks involved with trading securities in a margin account. Before trading stocks in a margin account, you should carefully review the margin agreement provided by your broker. Consult your broker regarding any questions or concerns you may have with your margin accounts.

When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from your brokerage firm. If you choose to borrow funds from your firm, you will open a margin account with the firm. The securities purchased are the firms collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and as a result, the firm can take action, such as issue a margin call and/or sell securities in your account, in order to maintain the required equity in the account. It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- You can lose more funds than you deposit in the margin account. A decline in the value of securities that are purchased on margin may require you to provide additional funds to the firm that has made the loan to avoid the forced sale of those securities or other securities in your account.
- The firm can force the sale of securities in your account. If the equity in your account falls below the maintenance margin requirements under the law, or the firms higher house requirements, the firm can sell the securities in your account to cover the margin deficiency. You also will be responsible for any shortfall in the account after such a sale.
- The firm can sell your securities without contacting you. Some investors mistakenly believe that a firm must contact them for a margin call to be valid, and that the firm cannot liquidate securities in their accounts to meet the call unless the firm has contacted them first. This is not the case. Most firms will attempt to notify their customers of margin calls, but they are not required to do so. However, even if a firm has contacted a customer and provided a specific date by which the customer can meet a margin call, the firm can still take necessary steps to protect its financial interest, including immediately selling the securities without notice to the customer.
- You are not entitled to choose which security in your margin account is liquidated or sold to meet a margin call. Because the securities are collateral for the margin loan, the firm has the right to decide which security to sell in order to protect its interests.
- The firm can increase its house maintenance margin requirement at any time and is not required to provide you advance written notice. These changes in firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause the member to liquidate or sell securities in your account.
- You are not entitled to an extension of time on a margin call. While an extension of time to meet margin requirements may be available to customers under certain conditions, a customer does not have a right to the extension.

TRADING RISK DISCLOSURE STATEMENT RULE 2270 FINRA

You should consider the following points before engaging in a day-trading strategy. For purposes of this notice, a "day-trading strategy" means an overall trading strategy characterized by the regular transmission by a customer of intra-day orders to effect both purchase and sale transactions in the same security or securities. Day trading can be extremely risky. Day trading generally is not appropriate for someone of limited resources and limited investment or trading experience and low risk tolerance. You should be prepared to lose all of the funds that you use for day trading. In particular, you should not fund day-trading activities with retirement savings, student loans, second mortgages, emergency funds, funds set aside for purposes such as education or home ownership, or funds required to meet your living expenses. Further, certain evidence indicates that an investment of less than \$50,000 will significantly impair the ability of a day trader to make a profit. Of course, an investment of \$50,000 or more will in no way guarantee success. Be cautious of claims of large profits from day trading. You should be wary of advertisements or other statements that emphasize the potential for large profits in day trading. Day trading can also lead to large and immediate financial losses.

Day trading requires knowledge of securities markets. Day trading requires in-depth knowledge of the securities markets and trading techniques and strategies. In attempting to profit through day trading, you must compete with professional, licensed traders employed by securities firms. You should have appropriate experience before engaging in day trading.

Day trading requires knowledge of a firm's operations. You should be familiar with a securities firm's business practices, including the operation of the firm's order execution systems and procedures. Under certain market conditions, you may find it difficult or impossible to liquidate a position quickly at a reasonable price. This can occur, for example, when the market for a stock suddenly drops, or if trading is halted due to recent news events or unusual trading activity. The more volatile a stock is, the greater the likelihood that problems may be encountered in executing a transaction. In addition to normal market risks, you may experience losses due to system failures.

Day trading will generate substantial commissions, even if the per trade cost is low. Day trading involves aggressive trading, and generally you will pay commissions on each trade. The total daily commissions that you pay on your trades will add to your losses or significantly reduce your earnings. For instance, assuming that a trade costs \$16 and an average of 29 transactions are conducted per day, an investor would need to generate an annual profit of \$111,360 just to cover commission expenses.

Day trading on margin or short selling may result in losses beyond your initial investment. When you day trade with funds borrowed from a firm or someone else, you can lose more than the funds you originally placed at risk.

A decline in the value of the securities that are purchased may require you to provide additional funds to the firm to avoid the forced sale of those securities or other securities in your account. Short selling as part of your daytrading strategy also may lead to extraordinary losses, because you may have to purchase a stock at a very high price in order to cover a short position. Potential Registration Requirements. Persons providing investment advice for others or managing securities accounts for others may need to register as either an "Investment Advisor" under the Investment Advisors Act of 1940 or as a "Broker" or "Dealer" under the Securities Exchange Act of 1934. Such activities may also trigger state registration requirements.

MARKET VOLATILITY AND TRADING PLATFORMS NOTICE

All trades are executed through Fenix Securities, LLC, Member of the FINRA and SIPC. System response, trade executions and account access may be affected by market conditions, system performance, quote delays and other factors. The risk of loss in electronic trading can be substantial. You should therefore consider whether such trading is suitable for you in light of your financial resources. Money Market Funds are not FDIC Insured. Read our Risk Disclosures.

AFTER-HOURS TRADING: There is no assurance that trades will be executed after the market closes

EXTENDED HOURS TRADING RISK DISCLOSURE

Risk of Lower Liquidity. Liquidity refers to the ability of market participants to buy and sell securities. Generally, the more orders that are available in a market, the greater the liquidity. Liquidity is important because with greater liquidity it is easier for investors to buy or sell securities, and as a result, investors are more likely to pay or receive a competitive price for securities purchased or sold. There may be lower liquidity in extended hours trading as compared to regular market hours. As a result, your order may only be partially executed, or not at all.

Risk of Higher Volatility. Volatility refers to the changes in price that securities undergo when trading. Generally, the higher the volatility of a security, the greater its price swings. There may be greater volatility in extended hours trading than in regular market hours. As a result, your order may only be partially executed, or not at all, or you may receive an inferior price in extended hours trading than you would during regular market hours.

Risk of Changing Prices. The prices of securities traded in extended hours trading may not reflect the prices either at the end of regular market hours, or upon the opening the next morning. As a result, you may receive an inferior price in extended hours trading than you would during regular market hours.

Risk of Unlinked Markets. Depending on the extended hours trading system or the time of day, the prices displayed on a particular extended hours trading system may not reflect the prices in other concurrently operating extended hours trading systems dealing in the same securities. Accordingly, you may receive an inferior price in one extended hours trading system than you would in another extended hours trading system.

Risk of News Announcements. Normally, issuers make news announcements that may affect the price of their securities after regular market hours. Similarly, important financial information is frequently announced outside of regular market hours. In extended hours trading, these announcements may occur during trading, and if combined with lower liquidity and higher volatility, may cause an exaggerated and unsustainable effect on the price of a security.

Risk of Wider Spreads. The spread refers to the difference in price between what you can buy a security for and what you can sell it for. Lower liquidity and higher volatility in extended hours trading may result in wider than normal spreads for a particular security.

LOSS OF PRINCIPAL: Beware of the risk of trading. Trading stocks and other investments are subject to fluctuations in value and possibly entire loss of principle.

SIPC NOTICE: All accounts are SIPC Protected for \$500,000 Securities, including \$250,000 claims for Cash. The above coverage does not protect against loss of the market value of securities. For Details please see www.sipc.org

LENDING RULE DISCLOSURE

The Securities and Exchange Commission requires specific disclosure be made to a public customer at the time a margin account is established. These items summarize the required SEC disclosures:

- 1) An annual rate of interest is charged on the net debit balance in a margin account.
- 2) The applicable interest rate is based upon (but not equal to) the prevailing broker call money rate.
- 3) Adjustment and allowance in the percentage rate are frequently made depending upon the size of the debit balance and the activity in the account.
- 4) As the call money rate changes, so will the interest rate charge, without notice to the customer.
- 5) Interest is computed by taking the average daily balance, multiplying it by a rate over 100 and by the number of days the debit balance existed and dividing it by 360.
- 6) The customer must keep the prior period statement in order to compute the interest.
- 7) The firm has a lien on all securities in the account for any debit balance present in the account.
- 8) If the market value of the securities decline, the firm can request additional funds or collateral from the client. If not received, the firm can exercise its lien to sell securities in the account.

EQUITY REQUIREMENT

The amount of equity required to open and maintain a pattern day-trading account is \$25,000. If your equity drops below this amount you must deposit additional funds to get your equity back up to \$25,000. If you do not maintain the minimum equity, your account may be allowed to become a regular margin account with buying power determined by the clearing firm and limited to 3 day-trades in a five day period. Position held overnight does not count as day-trades.

Electronic instructions must be sent to such electronic addresses and/or using such systems as COR may specify. On receipt of electronic instructions, an acknowledgment of the instruction will be provided. COR shall be deemed not to have received any order sent by Customer electronically where COR has not acknowledged the instruction. “Account Communications” mean all current and future Account statements, trade confirmations, notices, disclosures, regulatory communications (including prospectuses, proxy solicitations and privacy notices) and other information, documents, data and records regarding the COR Account(s) and the Service (including amendments to the Customer Agreement and other agreements between Customer and COR) delivered or provided to Customer by COR, the issuers of the Securities and/or Other Property in which Customer invests and other parties.

Revocation of Consent. Customer may revoke or restrict consent to electronic delivery of Account Communications anytime, subject to the terms of this Agreement, by notifying COR in writing or by phone of its intention to do so. Customer also has the right to request paper delivery of any Account Communication that the law requires COR to provide in paper form. It is understood that if Customer revokes or restricts consent to electronic delivery of Account Communications or requests paper delivery, COR, at its discretion, may charge a reasonable service fee for the delivery of Account Communications that would otherwise be delivered electronically. Neither the revocation or restriction of consent, or the request for paper delivery, nor COR’s delivery of paper copies of Account Communications will affect the legal effectiveness or validity of any electronic communication provided while the consent was in effect.

Electronic Delivery System. Customer agrees that the primary method of COR’s communication will be by posting information on servers accessible through the COR Website. Customer agrees to check the COR Web site regularly for up-to-date information to avoid missing time-sensitive information and to notify COR immediately by telephone if unable to access the COR Website. Customer will have access through the COR Web site to confirmations, account statements and information affecting positions and money balances for at least the current year. Customer will have access to specific underlying trade data for at least two months. Customer may obtain copies of earlier documents on request.

Customer acknowledges that the Internet is not a secure network and that communications transmitted over the Internet may be accessed by unauthorized or unintended third parties. E-mail notifications sent by COR will not contain sensitive or confidential customer information, including account numbers and the identity of the security purchased. Due to security risks, Customer will not send any sensitive information, such as account numbers or Passwords, in an unencrypted e-mail. Customer agrees to promptly and carefully review all Account Communications as and when delivered and to notify COR by telephone prior to the opening of the New York Stock Exchange on the business day immediately succeeding the posting if customer objects, questions, or disputes the accuracy of any trade related posting, or failure by COR to make such a trade related posting. Customer agrees to notify COR by telephone within two (2) business days if customer objects, questions, or disputes the accuracy of any non-trade related posting, or failure by COR to make such a non-trade related posting. COR is entitled to treat all postings as accurate, complete, and conclusive unless Customer objects within the above specified time periods.

Duration of Consent. This consent will be effective immediately and will remain in effect unless and until either Customer or COR revokes it. Customer understands that it may take up to three (3) days to process a revocation of consent to electronic delivery, and Customer may receive electronic notifications in the interim.

Costs. Potential costs associated with electronic delivery of Account Communications include charges from Internet access providers and telephone companies, and such charges are borne by Customer. COR does not charge additional online access fees for receiving electronic delivery of Account Communications.

Consent and Representations. Customer hereby agrees to have carefully read the above information regarding informed consent and fully understands the implications thereof. Customer hereby agrees to the conditions outlined above concerning electronic delivery of Account Communications. ACCOUNT TRANSFER FORM (ACAT)

Account Number:										
-----------------	--	--	--	--	--	--	--	--	--	--

GUIDANCE FOR COMPLETING THE ACCOUNT TRANSFER FORM

NOTE: If you are requesting a transfer from a Qualified Retirement plan, please contact your plan administrator, as this form may not be required. If you are transferring between two COR Clearing accounts, please use the LOA for Internal Transfer. This form may not be used to transfer from a checking or savings account from a bank/credit union. For IRAs and Beneficiary IRAs where the original owner was 70 ½ years or older at death, please attach a copy of your end of year statement to enable us to calculate the required minimum distribution for the account.

SECTION 1: Account information

The account title and the Tax ID for both the account being transferred and your COR Clearing account should match.

SECTION 2: Transfer instructions - Only complete one part of this section.

A. Brokerage Account Transfer

- Only whole shares may be transferred.
- For Partial Transfers, list descriptions of assets and share quantities.
- Proprietary Mutual Funds and all no-load Money Market funds cannot be transferred in-kind and must be liquidated.

B. Mutual Fund Company Transfer

- List the Name, account number, symbol and quantity.
- COR Clearing will transfer shares in-kind. This section pertains only to shares of Mutual Funds held directly with the fund company. For brokerage accounts containing mutual funds and/or stocks complete the Brokerage Account section 2A above

C. Bank or Credit Union Transfer- For Retirement Accounts ONLY

- Transfer Cash only.
- Original signatures are usually required. Please mail the original form to complete the transfer request.
- For any investment that has a renewal deadline, maturity date, surrender charge period/window, or the like, paperwork must be received in good order three (3) weeks prior to the firm deadline to allow for proper processing times.

D. Annuity Liquidation

- Select only one. If partial is selected, amount for partial must be included. Contact the insurance company to determine whether surrender forms are required before submitting the transfer form. Attach surrender form if applicable.

E. Transfer Agent

- This section is specifically for transfers from a Transfer Agent via the Direct Registration System or DRS. DRS transfers must be between like- titled accounts. Please provide the most recent copy of your delivering account statement dated within 90 days.
- All shares MUST be held in book-entry form at the Transfer Agent prior to initiating the transfer.

SECTION 3: Account holder authorization

All account holders (clients or trustees) as indicated by the account registration must sign this section. Medallion Signature Guarantee is required as a protection against fraud on non-ACAT eligible transfers.

The best source of a Medallion Signature Guarantee is a brokerage firm, bank, credit union or savings and loan association with which you do business. Guarantor firms may, but frequently do not, charge a fee for their services.

SECTION 4: Successor custodian letter of acceptance – For iras and qualified plans Office use only.

SECTION 5: Letter of authorization – Account registration differences

This section only applies to situations where there is a common beneficial owner between both accounts. COR Clearing does not accept requests to transfer between third parties. Completion of this section does not guarantee processing. It is not applicable to transfers requested in Section 2.E. (requests to transfer from a Transfer Agent).

SECTION 6: One and the same letter

Completing this section does not guarantee processing and you may be required to update your account registration at the delivering firm. If you are transferring an account, and the name(s) at COR Clearing do not exactly match but are still for one and the same person, please complete this section. This section should be used if your name has changed due to one or more of the following: Marriage, Divorce, Name Spelling Error, or any type of Name Change including Jr. or Sr. If there is a difference in the last name, you must supply legal documentation sufficient to establish matching identity, for example, a state-issued driver's license, passport, or government ID.

FREQUENTLY ASKED QUESTIONS ON TRANSFERS

How long will the transfer take?

Full brokerage account transfers are sent via ACATS (Automated Customer Account Transfer Service) and take approximately 7 – 10 business days. Any residual balances that remain with the delivering brokerage firm after your transfer is completed should follow in 7 – 10 additional business days. Transfers that are not eligible to be entered on the ACATS system take at least 4 weeks to be completed upon receipt of all necessary paperwork.

Will there be any transfer fees?

Upon receiving your transfer request, your previous institution may charge a fee that they will transfer to your COR account as a debit and you are responsible for any fees transferred. COR may charge you a fee for some foreign securities.

How do I transfer my Mutual Funds?

Fill out Step 2, Section C of the form. There are some mutual fund companies with whom COR has not established an agreement to hold a particular mutual fund. You will have to contact the prior firm to have these funds liquidated. Some financial firms issue their own (proprietary) mutual funds and these mutual funds cannot be transferred to COR. You may, at your choosing, contact the prior firm and liquidate these funds. There may be charges, expenses, and tax implications associated with liquidation. You should review the fund's prospectus for more information or contact an accountant or tax professional.

How do I transfer Limited Partnerships and Alternative Investments?

COR can only transfer exchange traded LPs and COR-approved non-exchange traded LPs. Please contact your introducing broker dealer for a list of approved companies.

How do I transfer an Annuity?

Fill out Step 2, Section E of the form. We can only request liquidation for qualified accounts. Contact your existing insurer to see if they will need any additional documentation such as the original annuity contract. Also, please be aware that there may be a surrender charge involved with liquidating the annuity.

What is a Transfer in Kind?

Transfer of securities as is. Assets will be transferred to a new or existing COR brokerage account for the benefit of the client.

CCPA AGREEMENT

Checkwriting Services Terms and Conditions

Checkwriting Authorization. If you have requested Checkwriting privileges for your brokerage account ("Account"), your Broker and COR must first approve your application. By requesting the checkwriting privilege, you authorize COR and the Bank to honor and pay checks drawn on your Account. You appoint the Bank as your agent for the purposes of this CCPA Agreement. The Bank is authorized upon presentation of checks to transmit such checks or payment information derived from such checks to withdraw funds in the Account in an amount sufficient to pay such checks and to effect their payment. You also agree that Bank may honor electronic payments to and from the Account as authorized by you, when such payments are processed in accordance with law and the applicable payment systems rules. By requesting the checkwriting privilege, you authorize COR and the Bank to withdraw funds in the Account to pay a check or other such electronic debit. Withdrawal of funds is always subject to the acceptance of the Bank, COR or vendors. Both COR and the Bank may refuse any withdrawal that you attempt on checks or other forms not approved by COR and the Bank or by any method we do not specifically permit. COR and the Bank reserve the right to terminate your checkwriting privileges in their sole discretion at any time. COR may amend the CCPA Agreement terms and conditions at any time. Upon receipt of notification, relevant amendments will be binding on you and the Account. Further, it is agreed that payments made from the Account under this CCPA Agreement are governed by the laws, including the Uniform Commercial Code, as enacted in the State of Missouri, as amended from time to time.

Sufficient Funds. By requesting the checkwriting privilege, you agree that you will not write checks or authorize other electronic debits on your Account in amounts exceeding the amounts of funds in the Account and available for payment at the time the check is presented. If the value of your Account after the withdrawal is less than the amount of the check or debit, the check or debit will be returned unpaid and marked to indicate insufficient funds, and a returned item fee will be charged against your Account.
